Jerrod Mustaf
Director, Brotherhood and Leadership Program
Take Charge Juvenile Diversion Program, Inc
7610 Pennsylvania Ave.
Forestville, Md. 20716

Dear Mr. Mustaf:

I am writing this letter of support for the Brotherhood and Leadership Program at Charles Carroll Middle School. This program has made an impact at CCMS. The Brotherhood and Leadership Program has worked with their individual case load; but they also assist other students, parents and staff. I see this program as an important, to bridge the gap that can also close the gap that happens sometimes between students and teachers.

When there is another agent for parents at the school daily, this does a lot in the mind of students. There is another person that holds them accountable. This is a program that I would support in the Middle S; but I would also like to see continued on the High School level.

Sincerely,

Mrs. Jaime Prunty
