The Brotherhood
Charles Carroll Middle School
6130 Lamont Drive
New Carrollton, MD 20784

Dear Mr. Hart

I would like to thank you for being a Brotherhood Mentor through the Take Charge Program developed to assist at-risk youth in the Washington Metropolitan Area.

My son Davon Little has been a member of The Brotherhood since its establishment this 2007-2008 school at Charles Carroll Middle School, and has been supported and mentored by not only you, but by Mr. Riley and Mr. Jackson as well.

Immediately after my first meeting with the Brotherhood Mentors, I was extremely pleased with the program. The questions that were asked on a weekly basis make the young men accountable for their actions, not only to the parents, but also to their peers in the program and the Mentors they come in contact with daily.

My son has grown to appreciate what the Brotherhood Program was designed to do for and with him. I pray that his experience through this program will produce winning results in his behavior and the choices he makes, not only when he is around his family, but when he is with friends or alone.

To my Brotherhood Family, Mr. Hart, Mr. Riley, and Mr. Jackson, I thank you all for what you have done to affect my son's life and the lives you will touch in the future.

Sincerely,

A handwritten signature in black ink that reads "Deborah A. Mitchell". The signature is written in a cursive style with a large, prominent initial "D".
