**RE: Letter of Support on Behalf of the Brother Leadership Program**

To Whom It May Concern:

It is with great honor that I write this letter expressing my sincere admiration and gratitude for the hard work and dedication displayed by the men of the Brotherhood Leadership Program. The men worked effortlessly with our young boys to assist them with behavior, attitude and self-esteem.

I applaud the men for their daily attendance, because indeed their presence was both felt and desired. Their efforts towards keeping our young boys engaged have undoubtedly made an immense impact upon our school at-large. Finally, while the climate here at Thurgood Marshall Middle School may at times be less than favorable, the men of the organization have done a remarkable job and I would be remised if I did not take the opportunity to thank them for all of their tireless hours of labor.

Should any additional information be needed, please feel free to contact me using the information provided above. Thank you for your time and consideration.

Sincerely,

  
Ms. Jasmine L. Johnson
