Mr. Jerrod Mustaff,

Please permit me to express my personal appreciation for the outstanding services of the Brotherhood Leadership Program on behalf of Thurgood Marshall Middle School.

The Brotherhood Leadership Program has had a profound impact on the lives of many students. The members of this program that were assigned to Thurgood Marshall Middle School under the direct supervision of Mr. Mark Datcher, have displayed dedication, integrity, professionalism and a positive work ethic. They have helped countless students through difficult periods in their lives. The members of this outstanding Brotherhood Program have assisted with keeping some of our students in school, provided families with community contacts to help them deal with a variety of problems, and worked tirelessly to be there in times of need. The 69 students that were assigned to mentors within your program have the following statistics:

69 Mentees of the Brotherhood Leadership Program

- 23- Grades remained constant
- 11- Grade Point Averages Decreased
- 35- Grade Point Averages Increased by .5 or more
- 11- Acknowledge as "On A Roll"
- 14- Acknowledge as "Honor Roll"

We are blessed to have such wonderfully caring people as mentors servicing our students at Thurgood Marshall Middle School. You are to be commended for the vision of the Brotherhood Leadership Program and the members of your staff. We appreciate your efforts and participation not only during school hours but at our various programs and events that extend beyond the school day. We look forward to partnering with you this upcoming school year to take your program and Thurgood Marshall Middle to higher level.

Educationally Yours,

K. Fossett
